In accordance with Article 99 (1) of the Act on General Incorporated Associations and General Incorporated Foundations (provision to be applied mutatis mutandis to Article 197 of the same act) and Articles 36 and 45 of the Ordinance for Enforcement of the Act on General Incorporated Associations and General Incorporated Foundations (provisions to be applied mutatis mutandis to Article 64 of the same ordinance), we have prepared this audit report to summarize our findings and opinions as follows:

1. Method of audit and audited items

We communicated with the Directors and personnel, among others, of the Foundation, collected information, and sought to improve the audit environment. We also attended the Board of Directors meetings and other significant meetings and received Directors' reports on their performance of duties. We reviewed important documents of managerial decisions and investigated the status of activities and properties at the principal office of the Foundation.

In addition, we monitored and verified whether the auditing firm maintained its independence and conducted appropriate audits, received reports from the auditing firm on the performance of its duties, and asked for explanations on an as needed basis. We also received reports from the auditing firm that it had established "a system to ensure proper business operations" in accordance with the "Quality Control Standards for Audit," etc., and asked for explanations when necessary.

We audited the report of activities and its appended documents for the said fiscal year. We also examined the account books or their related documents and audited the said fiscal year's financial statements, their appended documents, and the list of properties.
