

AUTHORS AND INSTITUTIONS

Gilbert Binniger
Science Applications International Corporation

Robert F. Christy
California Institute of Technology

Mark Cristy
Oak Ridge National Laboratory

Farhad Dolatshahi
Science Applications International Corporation

Keith F. Eckerman
Oak Ridge National Laboratory

Charles W. Edington
Radiation Effects Research Foundation

Stephen D. Egbert
Science Applications International Corporation

Shoichiro Fujita
Radiation Effects Research Foundation

Michael L. Gritzner
Science Applications International Corporation

Tatsuji Hamada
Japan Radioisotope Association

John H. Harley
Consultant

Tadashi Hashizume
Azabu University

Edwin Haskell
University of Utah

Masaharu Hoshi
Hiroshima University

Yoneta Ichikawa
Nara University of Education

Prasad Kaipa
University of Utah

Keiji Kanda
Kyoto University

Dean C. Kaul
Science Applications International Corporation

George D. Kerr
Oak Ridge National Laboratory

Sohei Kondo
Osaka University

Toshiso Kosako
University of Tokyo

Thomas Kuhn
Science Applications International Corporation

Yoshikazu Kumamoto
National Institute of Radiological Sciences

William E. Loewe
Lawrence Livermore National Laboratory

John Malik
Los Alamos National Laboratory

Jess Marcum
R & D Associates

Takashi Maruyama
National Institute of Radiological Sciences

Edgar Mendelsohn
Lawrence Livermore National Laboratory

Tsuneto Nagatomo
Nara University of Education

Shunzo Okajima
Nagasaki University

Mark D. Otis
Science Applications International Corporation

Joseph V. Pace, III
Oak Ridge National Laboratory

James A. Roberts
Science Applications International Corporation

William C. Roesch
Retired, Pacific Northwest Laboratory

Jeffrey C. Ryman
Oak Ridge National Laboratory

Masanobu Sakanoue
Kanazawa University

William H. Scott, Jr.
Science Applications International Corporation

Eizo Tajima
St. Paul's University; Nuclear Safety Commission

Jabo S. Tang
Oak Ridge National Laboratory

Paul P. Whalen
Los Alamos National Laboratory

William A. Woolson
Science Applications International Corporation
