	Department	Research project title	Review results	Summary
1	Epidemiology	A proposal to join the diet and bladder cancer pooling project	Approved	◆ In the Application for Ethical Review I-14 (Methods of personal information protection), it is stated that “All dates will only include the year (no month or day)…” In the RP, however, the explanation of data to be provided includes the wording “the month and year.” Which of these statements is correct? → “Only include the year” will be used. The RP will thus be modified.

*The above Research Protocol was approved after confirmation that the relevant modifications were made properly.
