

The 6th Institutional Review Board Meeting (FY2016) (expedited review)

Date: July 27, 2016 (Wednesday) 16:00 - 16:50

Place: C-211 (Hiroshima) and Clinical Studies Department's conference room on the 3rd floor (Nagasaki) [teleconference]

<Epidemiological research review >

	Department	Research project title	Review results	Summary
1	Statistics	CR130 (Small-scale study) : Use of evidence factors for estimating radiation effects on solid cancer incidence.	Approved	◆It is necessary to request the non-RERF PI to send a document to Dr. French, ensuring that specimens/information have been properly discarded at the University of Pennsylvania when the study is completed.

*With regard to the aforementioned issue, IRB confirmed that proper revision was made and gave approval.
